Submission Request Changes

- Submissions can come via the OBS instead via bugzilla only
- We can see build success or failure before check-in
- Extended responsibility for the contributor until acceptance of changes
- No more blocking of packages

Next steps

- We prepare “best practice” examples and Documentation during “1.0” development.

http://en.opensuse.org/Build_Service/Collaboration

- Feedback esp. from packager teams is explicitly welcome!

- @everybody: Create your home account and play with the build service, esp. with the command line client **osc**.
